

About the Company

BelLogatex LTD renders a full complex of transport and logistic services in delivery of all types of freights by road, railway, sea and air transport from any point of the world, including services in warehousing, customs registration, insurance, customs surety and full maintenance of freights. We work with all types of freights: dangerous (including ones with radioactive materials - ADR-7), refrigerator, complete, modular, oversized, heavy, container.

Many European and Russian enterprises are among our clients. We cooperate with customs agents and terminals worldwide that allows us to carry out reliably any inquiries in the shortest terms.

BelLogatex LTD is a full member of the Belarusian Association of International Forwarders (BAIF), and an individual member of the International Federation of Freight Forwarders Associations (FIATA).

We are sure that referring to us, you will find the long-term and reliable partner.
